Leadership University Evangelism 102

Mission Statement

To empower and equip leaders to be sent and positioned for ministry in the inner cities around the world for the cause of the gospel.

COURSE DESCRIPTION

This course focuses on taking students to the streets of their communities. Engaging directly with non-believers, in an effort to reconcile the lost back to Christ according to the model He trained the disciples to use to reach the world. This is a foundational Church Growth practice of the Way World Outreach and will equip students, once adopt-a-block certified, on how to launch a church.

COURSE OBJECTIVES

Upon completion of this course:

1. Students will understand how to launch a church from ground zero in any city. Growing in ministry planning and development strategies
2. Students will learn how to evangelize the lost outside of the church.
3. Students will develop interpersonal skills in order to connect people into the church community.
4. Students will become soul winners that build churches!

REQUIRED TEXTS

Hybels, B. and Mittelberg, M. (1994). *Becoming A Contagious Christian*. (Textbooks, workbooks, lab fees, etc. are a normal part of the cost of your education.) Photocopies of the pages will not be accepted for credit. This constitutes a breach of copyright law and drives up the cost of textbooks.

REQUIREMENTS

Attendance

You are expected to attend each class. Class attendance ensures your learning the material in its entirety. Only one **excused** absence will be allowed, with a prior approval by the professor. Unexcused absences are not acceptable and will result in the loss of points for that class period.

Late Work

Late work will only be accepted under special circumstances and only with **prior approval** from the professor (see guidelines for absences). If late work *is allowed*, a late penalty of 10% will be applied for each day late.

Integrity

Leadership University upholds the highest of standards when it comes to development of classwork or an assignment. All work should be your own. Plagiarism is unacceptable and will result in an immediate failure of the course.

1. If you did not write the words, they do not belong in your paper. You cannot COPY AND PASTE anything from a book, the internet or any other source and put it in your paper.
2. Do NOT include direct quotes unless the quote is cited properly and gives the author credit. Describe the material in your own words. Do not use words you do not understand.
3. You are free to consult with classmates about assignments, but please ensure that your work is your own. If your work looks too much like your classmates, plagiarism rules may be enforced.
