## Portal Access and Usage

All TWLU classes require students to have digital access to our portal during lecture times and in order to complete all course content and assignments. The portal also gives online students the ability to access the live stream lectures (*which are in real time and cannot be retrieved at a later time*).

## Attendance

You are expected to attend each class. Class attendance ensures you learn the material in its entirety. Only one excused absence will be allowed, with prior approval by the instructor. Unexcused absences are not acceptable, resulting in the loss of quiz points and inability to complete assigned work. Students are encouraged to discuss missed days with their TA to determine if an alternate option is available to obtain instruction necessary for course success.

## Assignments

Students are required to complete all assignments on time, complete assigned reading, and be prepared for class discussions and activities. All assignments must be entered into the portal using the Homework link at the bottom of each corresponding lesson. **Grades cannot be given to assignments that are not turned in through the portal.**

## Coursework

2. **Quizzes**: are mandatory and should be completed during allotted time **immediately** following the class lecture. Failure to complete it at an appropriate time may result in loss of points. Quizzes are viewed as “in class” quizzes and have a 10-minute time limit.
3. **Midterms**: are a take home assignment that may be done open book. Each midterm must be completed once the test has started (it has a time constraint). Please do not save and try to return it because it must be completed the same day it is opened, otherwise the system will automatically submit it.
