Attendance

You are expected to attend each class. Class attendance ensures you learn the material in its entirety. Only one excused absence will be allowed, with prior approval by the instructor. Unexcused absences are not acceptable, resulting in the loss of quiz points and inability to complete assigned work. Students are encouraged to discuss missed days with their TA to determine if an alternate option is available to obtain instruction necessary for course success.

Assignments

Homework is due one week after assigned and must be submitted before the following class period using the appropriate assignment link in the portal (see Late Work policy).

Quizzes are viewed as “in class” quizzes and have a 10-minute time limit.

Midterms: are a take home assignment that may be done open book. Each midterm must be completed once the test is started (it has a time constraint).
