**COURSE DESCRIPTION**

This course is based on *Killing Kryptonite*, the acclaimed book by author and minister John Bevere. Drawing from the book's insights, the course will help participants align their desires with godly principles and grow into disciplined Bible-readers and devoted followers of God—ambassadors of His Kingdom who operate in their full potential and power.

**COURSE OBJECTIVES**

*Upon completion of this course:*

1. Students will learn what their promised position is in Christ.
2. Students will gain awareness of what is hindering their potential and power.
3. Students will gain confidence in their relationship with Christ and their right to operate in His promises.
4. Students will confront personal areas that need development and receive spiritual guidance to strengthen weaknesses and repent of sin.

**COURSE REQUIREMENTS**

## Portal Access and Usage

All TWLU classes require students to have digital access to the portal during lecture times in order to complete all course content and assignments. The portal also gives students the ability to access the live stream lectures (*which are in real time and cannot be retrieved at a later time*).

## Attendance

You are expected to attend each class. Class attendance ensures you learn the material in its entirety. Only one excused absence will be allowed, with prior approval by the instructor. Unexcused absences are unacceptable, resulting in the loss of quiz points and inability to complete assigned work. Students are encouraged to discuss missed days with their TA to determine if an alternate option is available to obtain instruction necessary for course success.

## Late Work

Late work without penalty will only be accepted under special circumstances and only with prior approval from the TA or Student Success (see Attendance guidelines). The **late work penalty** is 10% per week. Homework assigned prior to midterms will not be accepted after the midterm exam due date. Absolutely no homework will be accepted after the last day of class.

## PLAGERAIISM AND STUDENT CONDUCT

Leadership University upholds the highest standards when it comes to the development of classwork and assignments. All work should be your own.

- Plagiarism is unacceptable and will result in an immediate failure of the course. If you did not write the words, they do not belong in your paper. You cannot COPY AND PASTE anything from a book, the internet or any other source and put it in your paper.
- Do NOT include direct quotes unless the quote is cited properly and gives the author credit. Describe the material in your own words. Do not use words you do not understand.
- You are free to consult with classmates about assignments and to study for finals together, but please ensure that your work is your own. If your work looks too much like your classmates, plagiarism rules may be enforced.
