COURSE REQUIREMENTS

Textbook

The following book is needed for successful completion of this course:

Inner Healing and Deliverance. Maldonado, Guillermo. 5th edition 2007, ERJ Publications
(Textbooks, workbooks, lab fees, etc. are a normal part of the cost of your education.)

Photocopies of the pages will not be accepted for credit. This constitutes a breach of copyright law and drives up the cost of textbooks. You will hand in your ***book assignments*** to the instructor each week for review.

Portal Access and Usage

All TWLU classes require students to have digital access to our portal during lecture times and in order to complete all course content and assignments. The portal also gives online students the ability to access the live stream lectures (*which are in real time and cannot be retrieved at a later time*).

Attendance

You are expected to attend each class. Class attendance ensures your learning the material in its entirety. Only one excused absence will be allowed, with prior approval by the instructor. Unexcused absences are not acceptable, resulting in the loss of quiz points and inability to complete assigned work. Students are encouraged to discuss missed days with their TA to determine if an alternate option is available to obtain instruction necessary for course success.

Assignments

Students are required to complete reading assignments on time and be prepared for class discussions and activities. Students are required to complete all assignments on time, complete assigned reading and be prepared for class discussions and activities. All assignments must be entered into the portal using the Homework link at the bottom of each corresponding lesson. **Grades cannot be given to assignments that are not turned in through the portal.**

Coursework

1. Homework: is assigned weekly and can be found on the last page of the course syllabus. Homework is due one week after assigned and must be submitted before the following class period using the appropriate assignment link in the portal (*see Late Work policy*).
2. Quizzes: are mandatory and should be completed during allotted time **immediately** following the class lecture. Failure to complete it at an appropriate time may result in loss of points. Quizzes are viewed as “in class” quizzes and have a 10-minute time limit.
3. Midterms: are a take home assignment that may be done open book. Each midterm must be completed once the test has started (it has a time constraint). Please do not save and try to return it because it must be completed the same day it is opened, otherwise the system will automatically submit it. (*Midterms are not required in pre-requisite classes*).

Final Exam Policy

- Final exams are **proctored and must be taken in person**. Students are required to come to class on the scheduled test days.
- If a student is **unable to attend in person**, they must contact the TA **at least one week prior** to the exam date to request permission to take the final via Zoom. Remote accommodation will only be granted with prior approval.
