Portal Access and Usage

All TWLU classes require students to have digital access to the portal to obtain and view video lessons, written notes, quizzes, and homework assignments. All quizzes and homework assignments must be submitted through the portal.

Attendance

As an online student, your attendance is based on your weekly participation. You are expected to complete course assignments on a weekly basis. Weekly class attendance/participation ensures you learn the material in its entirety and that you remain on track with the class throughout the term. If you experience extenuating circumstances that affect your attendance/participation, please contact your TA right away.

Assignments

Each week, students are to complete the assigned reading, watch the video lesson, take the quiz, and complete the assigned homework within one week. If the homework is submitted after the one week period, points will be deducted. All assignments must be submitted into the portal using the Homework Link at the bottom of each corresponding lesson. **Scores cannot be issued for assignments that are not turned in through the portal.** Course content for online classes will be available on Monday of each week and is due the following Sunday by 11:59PM.

Coursework

1. Homework: is assigned weekly and can be found on the last page of the course syllabus. Homework is due one week after assigned and must be submitted before the following class period using the appropriate assignment link in the portal (*see Late Work policy*).
2. Quizzes: are mandatory and should be completed right after watching the video. Failure to complete quizzes will result in a loss of points.
3. Midterm: a take home assessment that may be done open book. The midterm must be completed once the test has been opened since it has a time constraint. Midterms cannot be saved to return to it later. If you try to do so, your test will automatically be submitted causing a loss of points for the questions not answered.
4. Final: must be done **in person** and is closed book. Only physical Bibles are permitted in the test taking area. Please bring an acceptable device to class to access the portal on test taking days along with any necessary cords or charger. Online students are required to show up in person to take finals. 4835 Hallmark Pkwy, San Bernardino, CA 92407. *Remote learners (outside a 50 mile radius from The Way World Outreach Hallmark Campus) can test remotely but must have one camera facing the student and one camera facing their computer screen to ensure integral proctoring of the test.*

Late Work

Late work without penalty will only be accepted under special circumstances and only with prior approval from the TA or Student Success (see Attendance guidelines). The **late work penalty** is 10% per week. Homework assigned prior to midterms will not be accepted after the midterm exam due date. Absolutely no homework will be accepted after the last day of class.
