

3. These 3 scriptures show us how our Heavenly father is a good father and is not like our earthly fathers because he is perfect and he knows how to give more than we can. 1 Peter 1:18 is helpful for this situation because it shows that God gives gifts which are greater than the gifts we get from earth. I believe that not everyone has a perfect father here on earth some may have terrible fathers but maybe their father didn't have the greatest father in their life too and some may have a great father but none of them compare to our heavenly father. Honor your father and mother.

4. this chapter shows us how we should appreciate the members of our church more and see them as our brother and sisters. We can appreciate them more by thanking them and celebrating them in their achievements.
