### Did you know...

Finally, here are some cool Advocate insights from our research.

According to our surveys, Advocates are the most likely personality type to...

- ...enjoy "people watching"
- ...have fears they know are irrational
- ...say modern human beauty standards are unrealistic
- ...go to great lengths to avoid stress
- ...re-read an e-mail after sending it

You can find our surveys in Articles & Surveys > [Surveys](#). Check them out when you have a moment – they are a great way to compare your habits, goals, and attitudes with other Advocates.

Until next time!
