

God's reaching out to me demonstrated that He loves me
and values me

The reason He reached out to me was because I am
this.

What God accomplished in reaching out to me was he
healed me & strengthened me, they do
to be able to stand firm to others
Even though I had reached out to us, we could not be reconciled to the
Father until we received His word of reconciliation.

We are to repair the breach that prevents
the restoration of our relationship.

In the New Testament, the disciples preached that the people had sinned against God. But why tell people they have sinned? To condemn them? God does not condemn. "For God did not send His Son into the world to condemn the world, but that the world through Him might be saved" (John 3:17). Rather it is to bring them to a place where they realize their condition, repent of their sins, and ask forgiveness.

WRITE A PRAYER...

Repenting and asking God to help you reconcile with anyone you have offended or who has offended you.

Lord I pray that the hurt I
you caused Hannah will be
healed and she will be able to
forgive me.
