### What Now?

Create a system of shepherding:

As of right now I have 5 girls whom I consider to be shepherding.

- 1) Nikoleann
- 2) Chanel
- 3) Jasmine
- 4) Trinity
- 5) Camille

I understand that I have to set a PACE for them to follow. This means I have to Pray for them, have Availability open for them, keep in Contact with them, and be the Example they need to follow.

A good shepherd leads his flock and knows his sheep. This is why it is important to set up a system of shepherding. It helps us shepherd better and helps us to easier show our flock when they are ready how to shepherd others themselves.
