What Now?

Yes, I believe I am following the example Jesus has set for us. I am currently officially mentoring 4 girls. I pour into them each week. Right now we are meeting on Mondays/Wednesdays over zoom at 4pm and whenever else they need me. I keep in contact with them as best I can throughout the week as well as see and talk with them at youth services each week. I follow the church curriculum as well as speak with them one on one with any other personal matters they may be dealing with.

A list of people I am mentoring:

- 1) Nikoleann
- 2) Chanel
- 3) Trinity
- 4) Jasmine
