

Desiree Chavez

Leadership Hw10

Due: 11/15/2020

What now?

Out of the three aspects of the outward side of leadership I would say I need to work on vision casting. I can pray to God more often about and for vision in my specific area of ministry.

Vision Statement: To worship God in spirit and in truth. To teach the younger generation what it means to worship, honor, and love the Lord with all they have.
