

1. **Complete the Attached Full Circle Flow Chart**
2. **Read Chapter 6 of “Guaranteed Growth” – Pastor Marco’s Book**
3. **Answer these questions below based on the reading assignment: What are the most important factors that ensure a church is healthy and growing? What will happen to a newly planted church if these factors are not included?**

- 1) The most important factors that ensure a church is healthy and growing are to make sure people are getting saved and are starting to take classes and serve.
- 2) People will not fully commit themselves if they do not turn their hearts and their time to God in committing to serve if these factors are not included.
