Day 15: All That Can Be Shaken Will Be Shaken

1) Read 1 John 2:15-17. Below is a list of worldly things that God will shake from our lives. Have you already been shaken, or do you need to be shaken?

- The lust of the flesh
- The lust of the eyes
- The pride of life

2) God may shake our lives for one of the following purposes. If He is shaking your life, think about which of these reasons could be His purpose for you.

- To bring you life closer to its foundation
- To remove what is dead, such as pride, from your life
- To harvest what is ripe within you
- To awaken a dormant area of your spiritual life
- To solidify your life so that the truth in your spirit man can no longer be separated from your soul and body.
