

Lesson #6 Page 82: Fellowship Activity

1. There are SO many great ideas in this list. I circled many among them included #1, 2, 15, 20, 26, 28, 32, 33, 44 and 48.
2. #52 was done in my group and that was to go on a prayer walk.
3. The group really liked the prayer walk and the cookout will be one of the next activities we do once everyone is comfortable coming together.
4. The plan is to do one of these activities on either the third or fourth meeting of each month.
5. The person that I am helping launch a Power of 12 also really liked the prayer walk that we did so her and I will be doing another one with her group.
