HW: Any open doors?

Nicole Bermudez 10/22/20

This week in class we learned about the 5 spirits assigned to attack the church. We learned about the spirit of Jezebel, the spirit of Absalom, the spirit of Witchcraft, and the Lukewarm spirit. These demons have a goal, and that goal is to gain entrance into people so that they can then affect the church. This week we were asked to write about any open doors that we may have in our family. However, I am so thankful to know that there are no open doors that we are aware of in our family, and in our home. We are very careful about things. We are careful with what we allow into our home in different ways including what we watch, what we listen to etc... there are things that are just now allowed, and they never will be. As Christians, we should always be aware and be careful with what we allow in our homes, and we allow ourselves to be entertained with ex.. Tv, music, conversations etc... I don't want to do anything in my life to grieve the Holy Spirit. I don't want to make Him, sad, angry, hurt, upset or disappoint Him in any way. We must always remember that we are to live pure and holy lives. We must not compromise in any way. We must remove compromise from our words, actions, and from our hearts. We must discipline ourselves to submit to God's Word and to His ways. We must live and be obedient to God's Word, and give no place to the enemy. We must constantly be checking ourselves to make sure that we are not allowing the enemy in, in any area of our lives, and that we don't have any

**doors open that shouldn't be so that we know that the enemy has no access
whatsoever to our lives and to our homes. Thank You, Jesus, for freedom!!!**
