### **HW: Receive prayer for Inner Healing & Deliverance**

**Nicole Bermudez 11/8/20**

I received my prayer for Inner Healing and deliverance when I took “Freedom” class here at our church. I was a Christian for many years and I did not realize that there were some areas in my life that I still needed to receive freedom in. There were some areas in my life where I thought that I had completely forgiven my Dad in and realized that I was still dealing with some rejection issues, and some bitterness that was still hiding there. Once the Holy Spirit revealed these areas to me, and I received prayer and renounced the things that needed to be renounced, I immediately felt a difference in my life and in my walk with the Lord. Taking the “Freedom” class here at church was one of the best things that I could have possibly ever done in my life. There was so much that I learned about Inner Healing and Deliverance and I’m so very thankful for that! It is my passion to see people receive that Inner Healing and Deliverance that they need, and to walk in the Freedom and victory that God has called them to walk in. I wish that every church had a “Freedom” class available at their church. Receiving Inner Healing and Deliverance is an absolute necessity, and I thank Jesus, and every leader that has answered the call and made themselves available for mine!
