

Theology 104 HW Lesson #8 6/2/20
Chapter 41 A&B #1 + Chapter 42 #3

Chapter 41

- **#1. Yes, I have thought about death several times throughout my life. When I was not saved, the thought of it crossed my mind several times, however I thought because I believed that Jesus was real, and I went to church occasionally throughout my life, that I was still gonna make it to Heaven. When I gave my life wholeheartedly to the Lord, and truly became a Christian, I then understood what it really meant to be saved, and that when He calls me home, I know where I'm going. If anything, I have feared over the years about not doing everything that Jesus has called me to do, and having to answer to Him for that, and I definitely don't want that. These fears are good fears, which is the fear of the Lord, and has come from scripture. The teachings of scripture encourage me to deal with these fears by knowing that God's Word, and His promises are true.**

Chapter 42

- **#3. It could be something as minor as some aches and pains in our bodies as we age that might occur in our lives to give us a greater longing for the resurrection of our bodies. Our new bodies will be imperishable. They will not wear out, grow old, or ever be subject to any kind of sickness or disease. They will be completely healthy and strong forever. I do have grandfather's, and a grandmother who have died, and gone to be with our Lord Jesus Christ. I think that they will look absolutely amazing in their new glorified bodies. I can only imagine how glorious it will be when we reunite with our loved ones in Heaven. Our relationships will be absolutely perfect in Heaven because there is no sin in Heaven, and here on earth we live in a sinful world with disagreements at times... etc.. In this renewed creation, there will be no problems, no pain, no sickness, no confusion, and no disease. Thank You, Jesus!**
