

Leadership 105 * Lesson #10

HW: What Now? PG 245

Nicole Bermudez 11/14/20

While learning about the three aspects of the outward side of leadership, I feel that I would need to work on vision casting. The first thing that I would do so that I'm able to learn and grow in that area is to pray and ask God for His God given vision. I do know that vision cannot be achieved until it is conceived and believed.

Adopt a Block: Sample Vision Statement.

We are a church that is on fire for Jesus Christ that is bringing Salvation and the love of Jesus Christ to every neighborhood that God has called us to for such a time as this. We are called to preach the gospel, love on people and meet their needs as we share the love of Christ with them. We desire to be and make disciples who grow in number for the sake of furthering the kingdom of God.
